DISCIPLE

REMEMBER WHO YOU ARE

This 32-week course of weekly Bible study classes focuses on most of the major and minor Old Testament prophets in the fall, and the thirteen letters traditionally attributed to Paul in the spring. To establish the historical context in which the prophets spoke for God, daily reading assignments also draw on the books of Deuteronomy through Chronicles. Study of the prophets will follow their historical sequence rather than their biblical sequence. The dating of Paul's letters influences the sequence of their study. Disciple 3 also has supplementary reading materials designed to enhance the study.
