

Extended Day Program

Please also be sure to specify extended day enrollment on your registration form.
By registering for the extended day program, you are committing to the full year. Requests for changes can be made in writing to the ADS director or admin, but cannot be guaranteed. Availability is dependent on an adequate amount of enrollment and cost could increase based on the number of enrolled students.

Please note, it takes some maturity for a child to stay for a longer day.
 Please have a conversation with the director regarding eligibility requirements.
