

ADS LUNCH GUIDELINES

PLEASE FOLLOW THE BELOW GUIDELINES TO HELP US REDUCE TOUCHING ITEMS THAT GO DIRECTLY INTO YOUR CHILD'S MOUTH.

ALL ITEMS SHOULD BE PREVIOUSLY OPENED AT HOME AND PLACED INSIDE THE BENTO BOX. TEACHERS WILL NOT OPEN PREPACKAGED FOOD. WATER BOTTLES SHOULD BE EASY FOR YOUR CHILD TO OPEN AND ARE REQUIRED TO HAVE A LID COVERING THE MOUTHPIECE. THANK YOU!

EASIER TO OPEN: TOUCH POINTS WILL NOT BE ON THE AREAS THAT GO DIRECTLY INTO YOUR CHILD'S MOUTH (MOST KIDS CAN ALSO OPEN THESE WITHOUT HELP)

HARDER TO OPEN: THESE ITEMS REQUIRE MORE HANDLING BY THE TEACHER AND WILL NOT BE ALLOWED IN THEIR ORIGINAL PACKAGING. ITEMS MAY BE UNWRAPPED AND PUT INSIDE A BENTO BOX.
